

Wei Tao

Integrated M.S. & Ph.D

Email: taowei0817@gmail.com; taowei0817@naver.com

Education

09.2013 - 07.2017. B.S. Department of Chemistry and Materials Engineering, Hefei University, With a minor degree of Finance

03.2019 - Integrated M.S & Ph.D Program, School of Chemical and biomolecular engineering, YONSEI University.

Research Interest

Electrode material for lithium/ sodium ion battery

Solid state electrolyte

Research Topic

Germanium based material as anode for lithium ion battery

Publications

-Total publication : 1 paper in revision

-Publication as First Author: 1 paper in revision

Awards

Presentations

1. NANO KOREA 2019, Gyeonggi-do ((2019.7)
2. 제 7회 한국위험물학회 정기총회, 부산 (2019.7)
3. ACEPS10, Taiwan (2019.11)
